

PUBLIC EVENT

WE WANT TO HEAR FROM YOU!

The New Orleans Regional Planning Commission (NORPC) will be hosting a series of pop-up events to present information and seek public input on the **NORPC Path to Zero Safety Action Plan**. The locations and times of these events are listed on the back of this flyer.

The purpose of the plan is to eliminate traffic fatalities and severe injuries while increasing safe, healthy, and equitable mobility for all.

Visit the website to learn more and provide input using the interactive map
